## UIM Organizes Guest Lecture on 2025 Financial Budget

The University Institute of Management (UIM) organized an insightful discussion on the Financial Budget of 2025, featuring Mr. Rajat Mehrotra, a renowned Financial Practitioner, as the guest speaker. The event aimed to provide students and faculty with a deeper understanding of the key highlights, implications, and economic impact of the budget. Mr. Mehrotra shared his expert analysis, shedding light on crucial aspects such as fiscal policies, taxation, and government spending. His engaging session encouraged interactive discussions, helping attendees grasp the budget's significance in shaping the country's financial landscape. The session concluded with a Q&A segment, where participants gained valuable insights into budgetary trends and financial strategies.
